Merry Christmas from Mayfair 2019

Graeme Gordon
Village Manager

Greetings Everyone,

I hope you had an enjoyable 2019 and are looking forward to the festive season. For many it is a great opportunity to catch up with Family and Friends, for others it can be a more reflective time as we don't tend to live in the same Cities or Countries, and this puts pressure on our families at Christmas. Both staff and residents have lost family members this year, to those and others including those affected by the tragic event in Christchurch in March, on behalf of Mayfair can we offer our condolences.

We have 4 Christmas functions, Staff Function on December 7th, The Studio, Apartment and Villa Residents December 13th, the Care Facility in the Main Lounge December 20th at 2.pm and of course Christmas Day which is Residents only. Please contact me with any queries. The staff will once again be invited to have the Christmas meal accompanying Residents.

Our Conservatory Extension is now complete, we are endeavouring to complete the Landscaping that includes an outdoor Dining area before Christmas.

Thank you to the staff for their contributions this year, we continue to receive many compliments from Residents and family. The efforts gone into our cultural days by staff have been well appreciated by the residents.

I will be present during the Christmas/New Year period and I would like to wish you and your families a Merry Christmas and Prosperous New Year.

Once again thank you, and please if you have any queries don't hesitate to contact me.

Graeme
