Welcome to Maxwell Care Home

Surrounded by beautiful gardens and sheltered areas. Maxwell has restful views all year round and we're only a five minute drive from town.

“I'm not able to praise the staff enough during my association with this facility. I have come to respect them highly for the way they handle themselves and the people in their care.”

Your care

Taking care of the lives in our hands

At Maxwell, understanding what you need is really important to us. We want to make sure that your care is personalised and that you live the best life possible. Your enjoyment of each day is our main focus – we make sure you can live ‘your day, your way’.

Expertise

Whenever you have special care needs, we'll give you the very best expert care – as well as helping you to stay as independent as possible. Our person-centered approach puts you at the centre of what we do and makes sure you're looked after with respect and dignity.

Understanding

We want to understand what is important to you and make decisions together with you and your family – after all Maxwell is your home. We'll ask you about what you like, and your favourite things to do; from there we will plan care and activities with you to make sure you get the very best from us.

Bupa Short Stay

We understand that you or your loved ones may need a break from time to time. You may have other commitments, or just need some time out - whatever the reason, we can help choose what's best for you.

Bupa Short Stay gives you flexible options for spending time with us - anything from joining us for a meal, to staying for several days or weeks in one of our care homes. We can help with or rehabilitation to.

Our staff

At Maxwell, we choose all our staff carefully to make sure that you get the quality care you need, from people who are kind, experienced and respectful.

Making a home

We have a warm and welcoming home with spacious rooms. We understand what it means to feel at home and we'll make you feel comfortable and special here at Maxwell. Family and friends are welcome to visit at any time, because we know that the little things are so important.

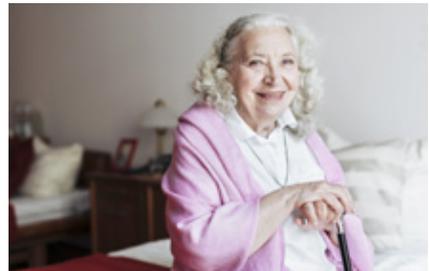

You may even be able to bring your pet- just check with our care home manager first.

What makes us special?

It's up to you what you want to do with your day. We go on regular van outings and our activities coordinator has a wide range of planned activities and regular family events.
