The following is a chart showing you the process from your initial viewing through to joining us at Bishop Selwyn Village:

1. COME IN FOR A VIEWING

Have a good look around the village, view our accommodation options and chat to staff and residents.

Any questions that you have can be answered at this time.

2. MAKE AN APPLICATION

Complete an application form with the Village Manager and decide on a settlement date (this can be flexible depending on your circumstances).

At this stage you will also pay a \$5,000 deposit. This is held in trust by the Statutory Supervisor and fully refundable if you change your mind.

3. SIGNING THE OCCUPATION RIGHT AGREEMENT (ORA)

Your application is sent to our solicitors and they will issue the ORA.

Once you have signed the ORA, it is sent back to our solicitor for signing.

You have 15 working days (also called a cooling off period) from the date of signing the ORA should you wish to withdraw from the agreement.

Here to Help

When we interact with our residents, their families, our team and other healthcare professionals, we always start with one question – “How can we help?” This simple but powerful question says, “I’m here for you”, “I’m listening”, and “I want to help you find a solution”.

Here to Listen

While we are often called upon to find solutions, we first actively listen – not to respond but to understand the needs, beliefs, and values of our residents, whānau, team members, and healthcare partners.

Here to Respect

We respect the culture, values, and beliefs of our residents, their whānau, and our team. We are always open to learning and strive to create a sense of connection and belonging.

Here to Deliver

It's a privilege to be trusted to care for someone as they age. We take pride in this responsibility, putting the care and safety of our residents and team above all else and ensuring that when we say we will do something, we deliver.

Here to Guide

We apply a simple, open and down-to-earth approach to everything we do, helping to guide our residents and their whānau through the challenges of ageing and their changing healthcare needs.
