

Parkhaven

care | comfort | compassion
companionship | connectedness

Welcome to CHT Care Homes, where we have more than 60 years' experience looking after older people in our rest home, hospital and dementia care homes throughout the North Island.

As a not-for-profit organisation, we have the heart of a charity with the competence of a successful business, and we are guided by our values around care, compassion, comfort, connectedness and community, ensuring that every resident and their family is welcomed, respected and supported.

Our not-for-profit status also gives us the freedom to continually reinvest in our facilities, services, residents, staff and the wider sector through our Aged Care Fund.

We are devoted to providing access to quality, affordable care that spans the full spectrum of individual needs - physical, emotional, mental, cultural and social - in safe and carefully-designed environments.

Welcome to CHT Parkhaven Care Home

Tucked away in a quiet neighbourhood, CHT Parkhaven residents enjoy sunny decks and garden areas, spacious lounges and a vibrant multi-cultural atmosphere, where specialised care is given in this carefully-designed care home.

Hospital care
