## Welcome to Somerfield Rest Home

### Safe and Secure

Somerfield House is a safe and secure environment, in which residents are able to maintain their dignity and independence, while receiving the level of care appropriate to their needs.

### Interests and Activities

A comprehensive activity programme is developed and maintained by our diversional therapist to suit resident's individual needs, abilities and interests. Regular activities and outings ranging from visiting entertainers, sing-a-longs, library book exchange, happy hour, indoor games, shopping trips (close to Barrington Mall and Park).

### If There's Anything Else You Would Like To Know...

Obviously cost is an important area you'll want to discuss. Somerfield fees are similar to other Rest Homes and subsidies are available for those who qualify.

If you have any queries at all, please contact the Manager.

## About Somerfield Rest Home

Somerfield is long established in Christchurch as a leading provider of specialist dementia care. Staff are qualified and competent, with a special interest in working with people with dementia. Our registered nurse plans, implements and evaluates each resident's care in conjunction with the family and carers.

## A Very Pleasant Place to Live

Following a complete refurbishment, Somerfield now boasts 40 bedrooms, most with new ensuites, new kitchen, dining rooms and lounges. Outside, the grounds have been transformed with new fencing and attractive landscaping including a sunny internal courtyard.

At Somerfield we have a commitment to providing a level of care and support which, as near as possible, maintains the environment of family care that the resident has left behind.
