

Welcome to Alden Churtonleigh

In the heart of Churton Park, we offers residents the freedom to be as independent – or as supported – as they choose.

The facility features a rest home and hospital, with sunny decks, a small courtyard, and multiple communal lounges. Residents enjoy nutritious, home-cooked meals and a diverse activities programme led by qualified Diversional Therapists. Our friendly team of Registered Nurses and trained staff provide personalised, compassionate care, ensuring every resident feels valued, supported, and part of a welcoming community with beautiful panoramic views over the surrounding hills.

Here for you

Here for you when you need us most.

At Alden, we're guided by a simple belief that everyone deserves compassionate, trusted, and respectful care as they age, no matter their means or background.

So when we say we're 'here for you', we mean villages and care homes that reflect their community and celebrate the diverse personalities and cultures of the local people.

Because, like our name, which means 'old friend,' we will always strive to be here for you when you need us most.

That's the Alden promise.
