Your care

Taking care of the lives in our hands

At Highfield, understanding what you need is really important to us. We want to make sure that your care is personalised and that you live the best life possible. Your enjoyment of each day is our main focus – we make sure you can live 'your day, your way'.

Expertise

Whenever you have special care needs, we'll give you the very best expert care – as well as helping you to stay as independent as possible. Our person-centered approach puts you at the centre of what we do and makes sure you're looked after with respect and dignity.

Understanding

We want to understand what is important to you and make decisions together with you and your family – after all Highfield is your home. We'll ask you about what you like, and your favourite things to do; and plan care and activities with you to make sure you get the very best from us.

Bupa short stay

We understand that you or your loved ones may need a break from time to time. You may have other commitments, or just need some time out - whatever the reason, we can help choose what's best for you.

Bupa short stay gives you flexible options for spending time with us - anything from joining us for a meal, to staying for several days or weeks in one of our care homes. We can help with equipment or rehabilitation too.

Our staff

At Highfield, we choose all our staff carefully to make sure that you get the quality care you need, from people who are kind, experienced and respectful.

Making a home

We have a warm and welcoming home. We understand what it means to feel at home and we'll make you feel comfortable and special here at Highfield. Family and friends are welcome to visit at any time. We know that the little things are so important. You may

even be able to bring a pet – just check with our care home manager first.

What makes us special?

It's up to you what you want to do with your day. At Highfield we focus on keeping our residents as independent as possible and encourage them to do as much as they can for themselves. We encourage residents to continue with community activities and groups. Family and friends are always welcome to visit and enjoy a meal with their family member.
