## Introducing **Enliven Central**

Enliven Central provides a full range of services to support older people to maintain their independence and enjoy fulfilling lives.

We can support you to thrive, not just survive.

The Enliven philosophy recognises that people need to maintain control over their lives, wherever they live and whatever their age. To support this we provide the following services throughout the lower North Island:

- warm, welcoming elder-directed rest homes, hospitals and dementia care
- respite and day programmes for older people living in their own homes
- boutique and vibrant retirement villages, including Huntleigh Retirement Apartments right next door to Huntleigh Home
- practical in-home support to help people to maintain their independence at home
- other health services, including continence advice, education and products.

Your  
place

## Huntleigh Home, Karori

Huntleigh Home is hugely popular. Conveniently located in central Karori, it's a warm and vibrant place to live. The modern home overlooks a sunny central courtyard and residents enjoy the indoor-outdoor living.

Huntleigh Home offers a full range of positive ageing services, so if your needs change so too can the support we provide.

We offer:

- rest home level care
- hospital level services for people with complex clinical needs
- respite and convalescent care.

At Huntleigh Home our staff are not only highly trained, they're also friendly, caring and embrace an elder-directed philosophy of care. Our nurses are on-duty 24-hours-a-day. Our doctor (GP) visits at least twice per week and we are in regular contact to ensure all clinical needs are met. We have a podiatrist, physiotherapist and hairdresser that visit each week.

Your  
space

## Your place. Your space

When people move to Huntleigh Home they often ask us if they can bring along their own belongings. The answer: of course! After all, this is your home.

At Huntleigh Home we're sure you'll enjoy the shared lounges, entertaining areas and lovely courtyard area. But you'll also have your own private room. This is your space.

Your room can be furnished if you wish, however you're invited to make the space your own by bringing along your own familiar things. Many residents bring along photos, artwork, ornaments, favourite pieces of furniture and bed covers. We're also able to offer some premium rooms. These rooms are larger with ensuite and kitchenette options.

For family or friends visiting from out of town we offer an ensuite bedroom unit at Enliven's neighbouring Huntleigh Retirement Apartments for a small cost (subject to availability).

About  
us

## A life worth living; **the Huntleigh difference**

Huntleigh Home embraces the Eden Alternative – an elder-directed model of care. That means you'll be supported to make decisions about your personal wellbeing and your new home, and to maintain your independence and routines in a way that's right for you.

At Huntleigh Home we'll support you to keep up with your hobbies, interests and passions. After all, that's what adds life to life!

As well as enjoying the company of others at a similar stage of life, many residents choose to get involved in organising daily happenings and special events. This can make for a varied social calendar and a wonderful social life.

The involvement of the community is also a big part of life at Huntleigh Home. Residents are encouraged to invite their family and friends to spend time with them. You can enjoy the relaxing lounges, chat over a meal or head out to the nearby cafes and shops. Your pet is welcome to move in with you if it 'gets on' with others.
