Introducing **Enliven Central**

Enliven provides a full range of services to support people to maintain their independence and enjoy fulfilling lives.

The Enliven philosophy recognises that people need to maintain control over their lives, wherever they live and whatever their age.

To support this we provide the following services throughout the lower North Island:

- vibrant, boutique retirement villages
- warm, welcoming rest homes, hospitals and dementia care
- respite and day programmes for older people living in their own homes
- other health services including continence advice, education and products.

Welcome to **Coombrae Retirement**

Coombrae Retirement Village offers a wonderful lifestyle opportunity in friendly Feilding. Coombrae's one and two bedroom villas are set amongst picturesque gardens with a relaxed outlook, just minutes from the centre of town.

At Coombrae Village you'll enjoy the **independence and freedom** of living in your own home, but without the worry and hassle. We'll take care of the hard work, like property maintenance and lawn mowing, leaving you free to really enjoy your retirement.

You'll experience the peace of mind of a **safe and secure community** where neighbours are always close by. Coombrae Home is right next door and the village coordinator visits the village almost daily.

Village

If you're looking for **companionship**, then you'll love being surrounded by a network of people at a similar stage in their lives. It's up to you how involved you get in village life, but there is always something happening.

If there comes a time when you need **extra support** we can help you arrange short or long-term healthcare assistance, home help and personal care services, respite and health recovery care.

Whatever your reason for looking into retirement living, we know a move to Coombrae Village is one you won't regret. So many people tell us they wished they'd made the move sooner.
