

# St Margarets

care | comfort | compassion  
companionship | connectedness

Welcome to CHT Care Homes, where we have more than 60 years' experience looking after older people in our rest home, hospital and dementia care homes throughout the North Island.

As a not-for-profit organisation, we have the heart of a charity with the competence of a successful business, and we are guided by our values around care, compassion, comfort, connectedness and community, ensuring that every resident and their family is welcomed, respected and supported.

Our not-for-profit status also gives us the freedom to continually reinvest in our facilities, services, residents, staff and the wider sector through our Aged Care Fund.

We are devoted to providing access to quality, affordable care that spans the full spectrum of individual needs - physical, emotional, mental, cultural and social - in safe and carefully-designed environments.

# Welcome to CHT St Margarets Care Home

Lush gardens, light and warm living areas, and dedicated staff, are key features of this well-known care home which has been part of the Te Atatu Peninsula neighbourhood for decades. Designed around suites of 10 hospital care level bedrooms, all with ensuites and garden or courtyard access, residents enjoy beautiful shared dining and living spaces, a kitchenette and access to outdoor areas.
