

care | comfort | compassion companionship | connectedness

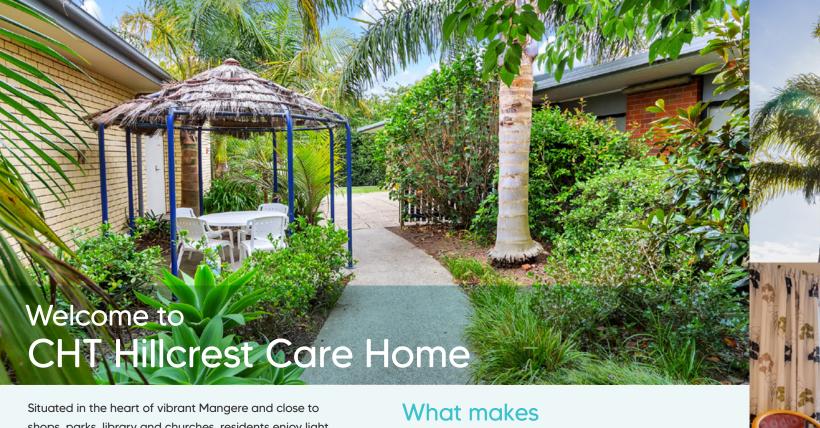

Welcome to CHT Care Homes, where we have more than 60 years' experience looking after older people in our rest home, hospital and dementia care homes throughout the North Island.

As a not-for-profit organisation, we have the heart of a charity with the competence of a successful business, and we are guided by our values around care, compassion, comfort, connectedness and community, ensuring that every resident and their family is welcomed, respected and supported.

Our not-for-profit status also gives us the freedom to continually reinvest in our facilities, services, residents, staff and the wider sector through our Aged Care Fund.

We are devoted to providing access to quality, affordable care that spans the full spectrum of individual needs - physical, emotional, mental, cultural and social - in safe and carefully-designed environments.

Situated in the heart of vibrant Mangere and close to shops, parks, library and churches, residents enjoy light and warm spaces and dedicated staff. Designed around suites of 10 bedrooms, all with ensuite bathrooms, shared living room and kitchenette along with direct access to garden areas. Seamless transition between levels of care as needs change is also a unique aspect of this award-winning care home.

Rest home

Ideal for those who still have a degree of independence, while needing assistance with personal care and activities.

Hospital care

Perfect for someone needing full assistance throughout their day.

Dementia care

Secure, thoughtful care, complete with specially designed areas.

What makes CHT Hillcrest special?

- Safe, secure, high-quality and wellmaintained property.
- Very high standard of professional care with hands-on management.
- Nurses, healthcare assistants and expert therapists work alongside visiting doctors.
- Seamless transition between care levels.
- Excellent location close to shops, parks and public transport.
- Delicious, nutritious meals. Cultural, ethnic and modified diets accommodated.
- Dedicated activity programme, from concerts or quiet pursuits to family gatherings.
