

*Finding a place to  
call home is an  
important decision...*

Our menus have received the stamp of approval from dietitians, ensuring that they cater to the unique preferences and dietary needs of each individual.

Our residents personalize their rooms, adding their personal touch with photos, ornaments, curtains, wall hangings, and bedspreads. Each bedroom is equipped with adjustable radiators to meet individual comfort needs.

Friends and family are welcome at any time, and can share a meal, a coffee or some of our entertainment – 7 days a week.

Policies and procedures are embedded within our facility to meet all requirements in relation to care provision.

## OUR MISSION

We aim to provide a quality homely environment in which the older people may live in an atmosphere of respect and friendliness and have their physical and psychological needs met regardless of culture or creed

# WAIREKA LIFECARE

## *Make yourself at home with us...*

Welcome to Waireka Lifecare, where compassionate care and a warm, supportive community create a nurturing environment for our beloved seniors.

At Waireka Lifecare, we understand the importance of maintaining independence, and quality of life as we age.

We are committed to providing services that align with the Code of Health and Disability Services Consumers' Rights. Your privacy, dignity, and respect are our primary focus.

Our well-appointed accommodations provide a haven of tranquility, while our thoughtfully designed communal areas foster social connections and engagement.

Nestled on the outskirts of Pahiataua, our beautiful facility offers a safe and inviting space where residents can feel at home. There are a variety of rural landscapes that residents can enjoy from different parts of the home.

We provide dedicated areas where residents and their families can spend quality time together in a tranquil environment.

In addition, we have established a residents' group within our care homes, holding regular meetings to ensure open communication and meaningful engagement.

## *we try to keep you active...*

Every day, we have a wide range of activities happening for both individuals and groups. These activities are always changing, ensuring there's something for everyone's special interests and hobbies. We believe it's important for you to enjoy your day just the way you like it.

As part of our wonderful activities program, we organize regular trips to the local community. These outings are designed to be enjoyable for everyone, whether it's a leisurely shopping trip, sightseeing adventure, or a delightful picnic. We warmly invite you to join us and have a great time exploring the nearby community.

## *your care is important to us...*

We have 24 hour Registered Nurse coverage. Our team of nurses have experience in aged care.

Our Caregivers are highly experienced and work towards achieving NZQA qualifications in residential aged care. They are skilled to provide the best care for our residents.

We wholeheartedly strive to help our elderly residents uphold any cultural ties they may have within the community before joining us at Waireka.

Creating a welcoming and caring space for our cherished residents is our top priority. We have implemented a steadfast policy against any form of discrimination, ensuring a friendly and inclusive environment that celebrates diversity and promotes harmony among our elderly community.
