

Welcome to Alden Ranburn

Tucked away in the charming coastal community of Waipu, just 40 minutes from Whangārei, our home offers a warm, family-oriented atmosphere with a peaceful rural outlook and beautiful gardens.

Residents benefit from round the clock 24/7 care at all levels, delivered by highly trained nurses and caregivers.

Visitors often comment on the sense of community at Ranburn and how beautiful the setting is. We are also lucky to have a number of wonderful beaches, markets and community events which we visit often on our many outings.

Here for you

Here for you when you need us most.

At Alden, we're guided by a simple belief that everyone deserves compassionate, trusted, and respectful care as they age, no matter their means or background.

So when we say we're 'here for you', we mean villages and care homes that reflect their community and celebrate the diverse personalities and cultures of the local people.

Because, like our name, which means 'old friend,' we will always strive to be here for you when you need us most.

That's the Alden promise.
