

2A Villa Accommodation

Lady Wigram Village

Our spacious 106m² single storey villas boast two bedrooms, full bathroom plus separate toilet and internal garage.

Residents enjoy the thoughtfully designed open plan flow of the living areas, with additional toilet facilities boosting the comfortable liveability of the 2A Villa.

Set amongst award-winning gardens and exhibiting elegant architecture throughout, villa living involves minimal maintenance. With the help of house and garden maintenance support, residents are free to

spend their spare time socialising with other members of the Lady Wigram community, friends and family.

Reassurance is a key benefit of villa living, where assistance is available at the push of a button. Residents enjoy the benefits of the villas with the knowledge that full care is available on site if required, as time and facilities progress.

It's this continuity of care, with friends and essential services at hand that ensure the community enjoys a high standard of health and a fulfilled lifestyle.
