

Welcome to Alden Lansdowne Court

Alden in Masterton offers a warm, community-focused environment for aged care. Residents enjoy a homely setting amidst mature gardens, with easy access to shops, cafés, and scenic spots like Queen Elizabeth Park and Henley Lake.

The facility provides comprehensive services, including rest home, hospital-level, palliative, and respite care, while daily tailored activities and inviting communal spaces foster connection and a strong sense of belonging. Onsite, the adjacent retirement village adds vibrancy to the community.

Here for you

Here for you when you need us most.

At Alden, we're guided by a simple belief that everyone deserves compassionate, trusted, and respectful care as they age, no matter their means or background.

So when we say we're 'here for you', we mean villages and care homes that reflect their community and celebrate the diverse personalities and cultures of the local people.

Because, like our name, which means 'old friend,' we will always strive to be here for you when you need us most.

That's the Alden promise.
