

## Welcome to Alden Cambridge Oakdale

Located in Leamington in the charming town of Cambridge is our purpose-built aged-care home offering the full continuum of care – from rest home to hospital, dementia, palliative, and respite services.

Residents benefit from 24-hour nursing and a varied activities programme including quizzes, concerts, crafts, mini-golf, movie nights, and weekly outings. Landscaped gardens provide a peaceful outlook, while shops, parks, and cafés are just a short walk away.

With visiting health services, open visiting hours, and a compassionate, personalised approach, Cambridge Oakdale provides residents with comfort, connection, and peace of mind.

*Here for you*

### Here for you when you need us most.

At Alden, we're guided by a simple belief that everyone deserves compassionate, trusted, and respectful care as they age, no matter their means or background.

So when we say we're 'here for you', we mean villages and care homes that reflect their community and celebrate the diverse personalities and cultures of the local people.

Because, like our name, which means 'old friend,' we will always strive to be here for you when you need us most.

*That's the Alden promise.*
