

Elizabeth R Care Home

There's only one way to care — your way

Located in a quiet residential street, Elizabeth R is in an elevated spot with lovely views of Mount Taranaki and surrounding farm land.

At Elizabeth R we offer rest home and hospital care.

Taking care of the lives in our hands

At Elizabeth R, understanding what you need is really important, so that we can make sure that your care is personalised and you live the best life possible. Your enjoyment of each day is our main focus – we make sure you can live ‘your day, your way’.

Expert care

Whenever you have special care needs we'll give you the reassurance of a careful balance of independence and security, along with the very best expert care. Our person-centered care makes sure you are looked after with respect and dignity.

Care and understanding

We will understand what is important to you and we will make decisions together with you and your family – after all Elizabeth R is your home. We will ask you about your likes and dislikes and plan care and activities with you to make sure you get the very best from us.

Short stay breaks

Regular time off is important for carers - and for their loved ones - so we offer respite stays of anything from a day to several weeks. This helps carers to have a break, knowing that their loved ones are getting excellent care around the clock. It's ideal when carers have been unwell or are planning a holiday.

“We wish to acknowledge the wonderful love and care given to both Dulcie and Wallace by the staff at Elizabeth R.”

Making a home

We have a warm and welcoming home with cosy rooms and lounges that flow out to our lovely gardens. We understand what it means to feel at home, and we will make you feel comfortable and special at Elizabeth R. You can have your own things around you. Your family and friends are welcome to visit any time. You may even be able to bring a pet – just check with our Care Home Manager first. We know that the little things are so important.
