Be a part of a community that values you

We take care and time to listen to what is important to you. We're dedicated to supporting you and helping you to enjoy your life.

Continue to enjoy doing the things you love to do

Our Wellness Program Leader actively encourages all residents to participate in a range of activities which help to establish friendly relationships within the community. We do all we can to help you remain active and happy.

Our activities include a pool table, piano, library and a large screen TV room with kitchenette. We have a fully equipped hair salon where hairdressing services are available for a small fee. We hold fortnightly church services and regular functions. Friends and family are more than welcome to attend. In fact, visitors are welcome at any time!

We actively encourage residents to enjoy our lovely gardens and the neighbouring Bell Common with regular walks. Conveniently located at our entrance is a bus stop and there is a small shopping centre located a short walk away.

We're well known for our personal care

Bethlehem Views is well known in the wider Tauranga community for providing exceptional support across all levels of aged care.

We're able to look after your current needs, and can also provide more care and assistance should your personal circumstances change. This gives you, your partner and your family the comfort of knowing you'll always have the support and care you need, when you need it.

Your emotional and physical wellbeing is our highest priority. We are committed to delivering the highest standard of professional care and having a hospital division at Bethlehem Views means you have access to a registered nurse 24 hours a day.

Your personal needs are regularly monitored and reviewed to help ensure we continue to deliver a quality personal service in an environment where you feel happy, safe and well looked after.

All meals are prepared on-site by our experienced team of kitchen staff who prepare, cook and serve high quality, nutritious meals daily. All residents love the comforting aromas and tastes of our home style food and fresh baking. Special diets (such as vegetarian, diabetic and gluten free) are easily catered for.

Tea and coffee is available after each meal and morning and afternoon tea and supper is served. Facilities are available for you to make a tea or coffee at any time.
