

A close-up photograph of two elderly women. The woman on the left has short, wavy, reddish-brown hair and is wearing a light blue sweater with a colorful, multi-colored zigzag pattern. She is smiling broadly, showing her teeth. The woman on the right has short, white hair and is wearing a light green button-down shirt. She is also smiling and looking towards the first woman. They appear to be in an outdoor setting with a blurred background.

Love the **Brightwater lifestyle**

Brightwater Retirement Village offers an independent and affordable retirement lifestyle in a unique Palmerston North setting.

Situated along a private driveway, the boutique Brightwater Village is made up of just seven one and two bedroom villas. This exclusive set up is perfect for retirees who value their independence, privacy, security and the support and companionship of a tight-knit community.

At Brightwater Village you're free to enjoy your retirement doing the things you love. You can sit back and relax, or get out and enjoy life while we take care of the grounds and building maintenance.

Here, you'll enjoy the peace of mind that comes with living in a safe and secure community where help is always on hand.
