

Welcome to Alden Madison

A well-established, welcoming facility, we provide rest home and hospital-level care and have been proudly serving the Levin community for over 20 years.

Madison combines high-quality care within a friendly, homely environment. Residents enjoy tailored activities and, for those seeking companionship, bright communal lounges, a sunny courtyard, and a bird aviary. With a dedicated respite care room, our compassionate team ensures peace of mind for residents and families alike, fostering connection, comfort, and a true sense of community. Onsite and adjacent to the care home is a small retirement village, further adding to the lively community atmosphere at Madison.

Here for you

Here for you when you need us most.

At Alden, we're guided by a simple belief that everyone deserves compassionate, trusted, and respectful care as they age, no matter their means or background.

So when we say we're 'here for you', we mean villages and care homes that reflect their community and celebrate the diverse personalities and cultures of the local people.

Because, like our name, which means 'old friend,' we will always strive to be here for you when you need us most.

That's the Alden promise.
