Your care

At Bupa Whitby Care Home, we care about your individuality. Our Person First approach means we take the time to get to know you. We'll ask you about your favourite things and what you like to do. From there, we'll create a care plan to include your dietary needs, medication, and activities to support you to live the life that's right for you.

Our team will be happy to guide you through the process of moving into a care home.
