

Welcome to Alden Bishop Selwyn

In Christchurch's Spreydon neighbourhood, Bishop Selwyn has been a caring community for over 25 years. We provide multiple levels of care, including a weekday day-care programme.

Residents enjoy dietitian-approved meals, weekly outings, happy hours, and transport for shopping and excursions. Tranquil gardens offer peaceful spaces for reflection or family gatherings. With 24-hour registered nursing and dedicated therapy staff, Bishop Selwyn delivers personalised, compassionate care in a true home-like setting.

An onsite Retirement Village adds vibrancy, fostering a warm, connected community where residents feel valued and at home.

Here for you

Here for you when you need us most.

At Alden, we're guided by a simple belief that everyone deserves compassionate, trusted, and respectful care as they age, no matter their means or background.

So when we say we're 'here for you', we mean villages and care homes that reflect their community and celebrate the diverse personalities and cultures of the local people.

Because, like our name, which means 'old friend,' we will always strive to be here for you when you need us most.

That's the Alden promise.
