

## Welcome to Alden Palliser House

Located in charming Greytown, we specialise in rest home, dementia and hospital-level care, offering a peaceful, safe, and comforting environment with a warm country feel.

As a smaller facility, Palliser House fosters a family-like atmosphere where each resident's individuality is celebrated. Our dedicated team works closely with residents and families to provide personalised care, comfort, and companionship. Specially designed dementia-friendly gardens and interior features stimulate the senses, using familiar sights, sounds, smells, tastes, and textures to promote well-being and calm.

Palliser House combines compassionate, respectful care with a strong sense of community in a homely setting.

*Here for you*

### Here for you when you need us most.

At Alden, we're guided by a simple belief that everyone deserves compassionate, trusted, and respectful care as they age, no matter their means or background.

So when we say we're 'here for you', we mean villages and care homes that reflect their community and celebrate the diverse personalities and cultures of the local people.

Because, like our name, which means 'old friend,' we will always strive to be here for you when you need us most.

*That's the Alden promise.*
